

THE YUKON... 207,076 SQUARE MILES OF INHOSPITABLE TERRITORY WHERE THE BORDER BETWEEN ALASKA AND CANADA OFTEN BECOMES INCONSEQUENTIAL.

OIL! DEVELOPMENT OF THE YUKON'S OIL-RICH RESOURCES HAS DRAWN AN INFLUX OF STRANGERS TO THE LAST FRONTIER.

GOLD! AND IN THE YUKON THERE IS ALWAYS THE LURE OF GOLD... FOR HONEST PROSPECTOR, MINING COMPANY, AND THIEF!

**GOLD! MAN'S TRADITIONAL
MEDIUM FOR THE SAVING AND
DISPLAYING OF HIS WEALTH...**

**A MEDIUM THAT
HAS HAD A
TREMENDOUS
RESURGENCE AS
PAPER MONEY DECLINES
IN VALUE.**

**TODAY MANY COUNTRIES
ISSUE GOLD COINS AND
MEDALLIONS. CANADA
MINTS THE MAPLE LEAF.
GOLD PLUS OIL...
